

Evergreen Community School
Student Driving Policy
2022-2023

As a student at Evergreen Community School, I understand that driving is a privilege which carries responsibilities.

- Students driving to and from school are to arrive daily by 8:00 a.m., no exceptions. After three (3) late arrivals, driving privileges will be suspended for one (1) month.**
- Students must park in the lot located adjacent to Grace Avenue next to the school sign.
- Student drivers may leave the parking lot prior to the school busses at 2:35 p.m. Student drivers are to leave directly from the main entrance, taking care to stop and look for oncoming busses or cars. At no time may a student driver pass a stopped school bus.
- Student drivers may drive to Friday movement activities at the discretion of the school with parental consent. Other students may not accompany the student driver to the Friday movement activity. Student drivers are expected to arrive to the activity at the same time as the Evergreen bus.
- Students may not transport other students without submitting to the school office written notification from the parents or guardians for both students involved **prior** to transport. This notification must be resubmitted at the beginning of each school term. Any changes must be forwarded to the office in writing by the parent or guardian.

Disregard for any of these responsibilities and/or dangerous driving will result in the suspension of driving privileges for a period of time determined by the severity of the infraction.
