Mathcounts Competition This Saturday

Students who have been staying after school to prepare for the Mathcounts competition with Mr. Vary will meet this week on Tuesday, Wednesday, and Thursday. The competition takes place this Saturday at Trexler Middle School (851 North 15th Street in Allentown). Registration begins at 8:30 am. Mr. Vary will be leaving at 7:30 am from Evergreen with the suburban to drive students who need a ride. The competition provides lunch and snacks for no charge. This is an all day event and will finish around 3:00 pm. Parents are invited, but are not allowed to watch their students during the actual competition. Our Mathcounts Team includes: Nicholas Kraft, Keith Luzier, Marleigh Silvernale, Neekimu Jardim, Jr., Omari Eugene, and Akli Eugene.

Envirothon Expanding

We are pleased to announce that for the very first time Evergreen will be sending two teams to the Monroe County Envirothon. The level of participation this year has been wonderful!! The turnout is especially impressive when you consider the fact that the districts are unable to provide activities buses, so the families involved must arrange for after school pickup. Thanks for all that you do!

First Rounds for the Spelling Bee

Once again, Sandra Eble is coordinating Evergreen's role in the Countywide Spelling Bee. First rounds were conducted for the 7th, and 8th grade junior level today. If attendance is better tomorrow, the 6th graders will be scheduled. The senior level's first round will take place tomorrow. Five students from each level will eventually be invited to compete in the County Spelling Bee at East Stroudsburg South on April 3rd at 7:00 pm for cash prizes.

Play Practice on Monday and Wednesday this week from 3-4:30 pm.

Please remember to bring in the Movement Form by Wednesday if you will not be participating in Bowling or the Camelback options.
