Meeting called to order at 7:00pm by Joe Pledge of Allegiance performed by all members.

## **Recognition of Visitors (Community input/ presenters, etc)**

Visitors included two Evergreen parents, Evergreen Lead Teacher (Senora Price) and Evergreen Principal (Steven Richard). They were here to discuss the upcoming Spirit Week.

Situation Background: NHS's plans for Spirit Week included 2 new categories which were approved by the Director. Jill received a phone call from a parent feeling that one of the Themes (Gender Bender Day) made light of a serious mental health issue. She asked that we reconsider the approval and perhaps ask the committee to come up with an alternate description. Jill agreed to return it back to the committee for discussion.

Jill then received an email from an NHS parent expressing her disappointment in the change. She felt that we needed to recognize all gender identities. Seeing a need for compromise, they were invited to tonight's meeting.

Mr. Richard spoke in support of the overall school community. Senora explained how the NHS was discussing simply a change in name to keep the week light. Jill reminded the Board and visitors that we are a school which allows for self-expression every day. Evergreen doesn't have uniforms.

After hearing from all visitors, the Board decided to allow Spirit Week, but to change the Gender Bender term. They referred it back to NHS to rename the theme to Opposite or Freedom of Expression Day.
